GETTING STARTED WITH THE 25X SYSTEM

If you can send a message, you can make money with the 25X System.

1 Connect with at least five people every day.

Do you know anyone who's looking to lose an extra five pounds?

2 If someone says yes, thank them and make the sale!

Get their contact information, explain that a week's supply costs \$25, and give them your Venmo, Zelle, or other cash app information.

3 If someone says no, leave the door open for referrals!

"Okay, no problem! Could you do me a favor, though? If you know anyone who might be interested, could you let me know?"

Take advantage of these three tips to build your network and connect with at least **35 people per week!**

1. ASK FOR REFERRALS.

Ask **everyone** if they know someone who may be interested in losing some weight. Referrals may be more receptive to your messages when you have a mutual contact they trust!

2. USE SOCIAL MEDIA!

Social media creates curiosity and allows you to reach out to people around the world. Send quick messages, keep in touch, form relationships, and build exposure to the product!

3. GO LOCAL.

How many people in your community have never heard of your product? Set up a local event or initiate conversations with new people next time you're out and about!

RECOMMENDED FOLLOW-UP TIMELINE

DAY 1

Deliver the tea. Explain exactly how to brew and consume the tea.

Encourage them to take “before” pictures. Measure their chest, hips, and waist.

Explain they will feel less bloated, improved digestion, and successful trips to the bathroom.

DAY 3

Ask about their initial results.

Ensure that they’re feeling the tea’s effects and consuming it correctly.

DAY 5

Make your next offer (another week’s supply, or savings with more packs).

They can buy 5 packs for \$54.95 on your website.

DAY 7

Encourage them to take “after” pictures and measurements so they can see their results!

Ask if you can share their results when they are ready, and always ask for referrals!
