# MODERN DAY

TLC needed a duplicatable system - that's why we created one that's simple, universal, and pays you like:

**UBER**

Pays you to transport people to their destination.

**DOORDASH**

Pays you to deliver food to customers.

**TLC**

Send text or direct messages to your network. Customers place orders and pay you directly.\*

# DO YOU KNOW ANYONE THAT WANTS TO LOSE 5 LBS?

## 1 Connect with at least five people every day.

Do you know anyone who's looking to lose an extra five pounds?

## 2 If someone says yes, thank them and take the order!

Get their contact information, explain that a week's supply costs \$25, and give them your Venmo, Zelle, or other cash app information.

## 3 If someone says no, leave the door open for referrals!

"Okay, no problem! Could you do me a favor, though? If you know anyone who might be interested, could you let me know?"
